I acknowledge and understand that parent participation is a requirement. As a family, we commit to making weekly Sunday Mass and Faith Formation a priority in our schedule and **at least one parent will be actively participating in both.**

Parents, You are the Heart of Faith Formation

Because parents are a **child's first and enduring teachers**, you as parents are the teachers of your child's faith formation. **No one can take your place!** It is essential to your child's growth and development in the Catholic faith that you **live the life of faith at home and in the world**. The success of your child's formation in Christ radically depends upon your parental example and participation both in weekly Faith Formation and the sacramental life of the Church. This year's program is **focused on giving you the tools you need to live the life of faith** in the home, with your children. With this in mind, we invite your family to make Faith Formation and weekly Mass of top priority because God has great things in store for you and your children!

Jesus said, "Let the children come to me, and do not prevent them; for the kingdom of heaven belongs to such as these."

Matthew 19:14
